

MISSOURI STATE REHABILITATION COUNCIL

2017 | ANNUAL REPORT

EXECUTIVE SUMMARY

LETTER FROM THE CHAIR

On behalf of the members of the Missouri State Rehabilitation Council, I am proud to present this summary of the Council's annual report for Fiscal Year 2017. Each Council member has unique experiences in advocating for the rights of our fellow Missourians whose physical or mental disabilities may pose barriers to productive employment. Through our quarterly meetings and committee deliberations, we have given our support to Missouri Vocational Rehabilitation to empower individuals with disabilities and to encourage decisions that lead to greater self-sufficiency. It has been my great privilege to work with members of the Council as well as with Missouri Vocational Rehabilitation staff, all of whom are dedicated to providing our citizens with the opportunity to make choices in obtaining meaningful employment.

Sincerely,

Tim Tadlock, Chairperson

COUNCIL'S PURPOSE

The State Rehabilitation Council (SRC) was first authorized by the Rehabilitation Act of 1973 as amended in 1998. Attended and participated in VR public hearings to provide input on the combined state plan

Evaluated and provided recommendations on the effectiveness of vocational rehabilitation services and consumer satisfaction feedback

Assisted VR staff in preparing the SRC's 2017 annual report for the governor and the commissioner of the Rehabilitation Services Administration on the status of vocational rehabilitation services in Missouri
